Dear Valued Customers:

Since 1947, the smell of oven-roasted meatballs, sauteed onions and garlic, and simmering spaghetti sauce have been in the air on the westside of Long Beach. Little did our grandfather know when he first hung the open sign at 1401 Santa Fe Avenue that seventy-five years later we would still be baking pizzas and lasagnas and making Italian sandwiches. When you walk in the door, we want your senses bombarded with the sights and smells of good food. For us, good food is about togetherness and friends and family. It's about creating warm memories and recalling the joys of the past.

We want to guarantee that your experience will always be pleasurable: delicious food and friendly service. And we want to thank you for your support over the past three-quarters of a century. Without you, Santa Fe Importers could not have made its way into the 21st century. We are grateful to have the best customers in Long Beach and Seal Beach. Looking forward to serving you for many more years.
